

Adaptive Consulting Engineers, LLC is a Florida based Transportation consulting firm performing Construction Engineering and Inspection (CEI) services. We have proudly worked with several agencies including Reedy Creek Improvement District (RCID), Florida Department of Transportation (FDOT), Florida's Turnpike Enterprise (FTE), and the Central Florida Expressway Authority (CFX) on a variety of projects. We have provided CEI services on a diverse assortment of contracts including design-build, All Electronic Tolling Conversion, Mill and Resurfacing, new bridge construction, roadway and bridge widening, asphalt overbuild, building construction for rest areas and building construction/renovations for new and existing toll facilities.

We are actively seeking enthusiastic, experienced, team-oriented individuals to join our diverse group in the role of CEI Inspector and CEI Senior Inspector. We currently have opportunities in the Orlando, Tampa and Jacksonville areas for these positions. A detailed list of the requirements is provided below.

Interested candidates should email Jennifer Brockman at jbrockman@adaptiveCE.com. We look forward to the opportunity to speak with you.
